

Plymouth Chapter UK Guest Policy

As a Plymouth Chapter member you are welcome to invite a guest to accompany you on any of our chapter activities or events.

If you invite a guest along as your pillion on any of our ride outs you are responsible for them and their safety. There are no limitations on the number of occasions that your pillion guest may join us, but if they are a frequent guest, we do ask that they consider becoming a member of the Harley Owners Group (HOG) and of Plymouth Chapter UK.

If you invite a guest who is riding their own motorcycle on any of our ride outs, they are welcome to join us on three separate occasions in that particular riding season (i.e. 3 times in any 12 month period). If they wish to join us on more than three occasions we will require them to join the Harley Owners Group and Plymouth Chapter UK. Guest riders are required to read and sign a copy of the Event Release Form.

If you are a guest who would like to become a member of HOG and of Plymouth Chapter UK you will get various benefits including:
